Devils Encounter Peter And Paul In Grid Game Sat.

The open date on the Pahokee Blue Devil schedule will be filled this Saturday night when the local eleven will be hosts to SS Peter and Paul of Miami on Lair Field with the kickoff time set at 8:30 p. m.

This is the first time teams of these two schools have faced each other on the gridiron and little is known locally of the strength of the visitors. The Peter and Paul eleven, however, has shown increasing power as the season advances. After dropping three in a row to Pompano, St. Theresa and Genu they unleashed a formidable attack in their last two games: blank St. Anthony, 30 to 0, and St. Patrick's, 24 to 0.

The Blue Devils snapped out of their midseason slump on Lair Field last Friday night to subdue the Ponce de Leon Cavaliers, 20 to 12, for their first win in conference play. Pahokee, with one victory and three defeats, is now in ninth place in the Gulf Stream Conference race.

The Blue Devils took the lead in the Ponce game in the first quarter when Joe Kent Carr intercepted a pass and ran 27 yards down to the Ponce 13. Carr then drove to the one-yard line. After a quarterback sneak failed at this point Fullback Jackie Thomas rammed his way through center for the touchdown and Carr kicked the extra point. In the second period Julian Snyder cut through tackle for 21 yards down to the Ponce 24 and from there Carr reversed around left end to score, giving the Blue Devils a 13 to 0 lead at the end of the half.

The Cavaliers took over the offensive in the third quarter and quickly capitalized on Pahokee fumbles to make two touchdowns but both conversion attempts failed.

The most thrilling play of the game came in the last quarter when Carr caught a Ponce punt on his own 15 and picked up excellent interference to gallop 85 yards down the right sideline for a TD. He then passed to Snyder for the point and put the game on ice for the Blue Devils.

School officials wish to point out that season tickets cover Saturday night's contest with SS Peter and Paul despite the fact the game is not listed on the ticket.

PAST MASTERS' NIGHT

Everglades Lodge 211, F&AM, observed past masters night at a meeting last week with a special program honoring the 10 past masters of the lodge who were present. The degree of Master Mason was conferred on W. S. Brewton.

Among scheduled entertainers to appear at the annual banquet of the Florida Press Association at their convention in Mount Dora, will be the famed Stetson Glee Club of Stetson University. The convention is scheduled to be held at Mount Dora, November 26-27-28.

3 Veteran Dealers For Gulf Receive Company Awards

At a dinner meeting held at the Clewiston Inn on the night of October 28, attended by the majority of Gulf Dealers in the Clewiston, Pahokee and Moore, Haven area. Five Dealers were awarded plaques in recognition of their years of association with the Gulf Oil Corporation, these awards ranging from ten to twenty years.

C. A. Malcolm, West Palm Beach District Manager, presented the awards, this dinner meeting being representative of similar meetings being held throughout the territory served by the Gulf companies.

Local Gulf Dealers honored were: Patrick Carroll, Canal Point, 20 years; Olaf Boe, Pahokee, 18 years; L. E. Will, Belle Glade, 20 years.

Watkins Speaker Before Pahokee PTA Monday Night

Howell Watkins, county superintendent of public instruction, was guest speaker at the November meeting of the Pahokee Parent-Teacher Association held Monday night in the high school auditorium. Introduced by Mrs. G. Lawton Sims, program chairman, the speaker said a strong PTA, by encouraging close cooperation between the home and the school, is an important factor in building a better and more efficient school system. He promised the audience that as long as he served as county superintendent there will be no "pet" schools in the county system, that school funds will be spread evenly throughout the county and it will be his constant aim to make the county system of schools one which all can be proud of.

Ned Kocher, first vice president presided at the business session in the absence of the president, Mrs. D. W. Cunningham. A report was given on the Halloween carnival sponsored recently by PTA constitution and bylaws were announced. The monthly attendance awards went to Mrs. Tommie Lee DuBose's sixth grade at the elementary school and to the eleventh grade at the high school.

Following the meeting refreshments of pie and coffee were served in the school cafeteria by Mrs. E. L. Pope, hospitality chairman, assisted by a refreshments committee composed of Mrs. A. D. Beverly, chairman, Mrs. Norman Kennedy, Mrs. Robert Walker, Mrs. Max Beverly, Mrs. J. T. Pickett, Mrs. Robert Hitchcock, Mrs. H. T. Williams, Mrs. C. A. Major, Mrs. Becky Starling, Mrs. Roy Segree and Mrs. R. B. Mackey.

Fall Bean Harvest Off To Good Start With Fair Prices

The fall harvest season of green beans in the Upper Everglades got under way this week with seven cars rolling from the Glades area on Monday. Packing firms whose doors swung open for business Monday were Harold Rabin and Pioneer Growers in Belle Glade, shipping two cars each, Vandegrift-Williams, two cars, and Unity Farms, one car, both from Pahokee.

The season opened with a good market, the Bountiful variety selling for \$3.65 to \$4 per hamper and Black Valentines, \$5.15 to \$5.80 per hamper.

L. J. Fraser, sales manager for W. H. Vann, Inc., one of the largest packing plants in this section, said beginning Wednesday the plant will operate right through to the peak of the season which is expected to be reached within the next three weeks.

Max D. Ammons, of the Lake Okechobee Farmers' Co-operative, one of the largest co-operatives in this section, estimated that there were between 12,000 and 15,000 acres planted to beans this fall in the Glades section. Beginning this week the co-op's packing plant will start operations with the volume increasing daily up through Dec. 15.

Ammons said due to flood conditions the Glades celery crop will be delayed as many of the seed beds were destroyed and replanting was hampered because of high water. This crop, which is beginning to be a major crop in this section, will not be ready for harvest until around Dec. 15.

This is the most promising fall crop to be grown in the Glades section in three or four years.

Rev. Elmo Scoggin Is New Rotarian

Rev. Elmo Scoggin, pastor of the Canal Point Baptist Church, was welcomed as a new member of the Pahokee Rotary club at noon yesterday. He was extended the Rotary welcome by John Dulaney of the membership and attendance committee. His official was made by President Victor L. Geiger of the club.

Coach Clyde Alley of Pahokee High School introduced Coach Clyde Alley of Pahokee High School who showed drug store quarterback some of the intricate workings of foot ball. (Note: That's exactly the way it is supposed to read. Stranger things than that take place in the Rotary Club at times.)

All six Rotary clubs in the county will meet with West Palm Beach on November 30, it was announced by the club president. A great program is being planned for that day.

J. D. Harpley, who recently completed his boot training at the San Diego Naval Base, is spending a leave from the Navy with his parents, Mr. and Mrs. Homer Harpley, in Canal Point.

City Council To Enforce New Rule On Route Of Trucks

The Pahokee City Council, at a regular meeting Tuesday night instructed Altman Morgan, city tax collector, to make immediate arrangements for collecting municipal back taxes on personal property. Protests over alleged unjust tax assessments on real estate, filed at the meeting by several property owners, were tabled by the council for further study.

A first reading was given to an amendment to a city ordinance which would restrict the movement of loaded trucks within the city limits to three streets, Belle Glade Road, Barfield Highway and State Market Road.

Streets Superintendent Marvin Cowart was instructed to raise the level of the city sidewalk on East Main Street from the high school building to Barnes Motor Supply Co. A. L. Tucker was given a contract to clean and paint the city hall windows.

FFA President In Pahokee To Attend National Meeting

Jamee Sims, first vice president of the Florida Future Farmers of America Association and member of the Pahokee FFA Chapter, left Thursday for Kansas City, Mo., to represent the Florida Association as one of the alternate delegates to the National Future Farmer Convention in that city Nov. 14-18.

More than 15,000 outstanding FFA boys, selected from all over the United States, will attend the convention. Featured on the program will be a national FFA Band of more than 100 pieces and a 100-voice FFA Glee Club. Several speakers of national prominence, including Henri Bonnet, French ambassador to the United States, are scheduled to address the Future Farmers at the convention. The Florida Association will be officially represented by two delegates, President Donald Burch of Live Oak and immediate past-president Doyle Conner of Starke and First Vice-president James Sims of Pahokee. The other five vice presidents of the state association and winners of statewide leadership awards will also attend.

A magazine article by Sims, describing his FFA work at Clewiston and Pahokee High School, was published in the October issue of the Florida Future Farmer.

At a meeting of the Pahokee FFA Chapter in the agriculture building at the high school Monday night the group voted to assist in paying Sim's expenses while attending the national convention. The final initiation of green hands was also conducted at the meeting.

A welcome sight not only to motorists but to the boatman as well, are three new concrete and steel draw bridges over the northern portion of the Florida Intracoastal Waterway at Sister's Creek, St. Augustine and Daytona Beach.

Miami Firm Bids Low On Airport Bacom Point Road

Williams & Stockton of Miami appeared the low bidders Monday for creation of an improved Palm Beach county-Everglades airport at the end of Bacom Point Road near Pahokee.

The firm made a proposal of doing the work for about \$60,000. Nine bids for the job were received by the county commission. They were turned over to Engineer Jack Boyd for tabulation and for approval of the Civil Aeronautics administration.

The project includes 112,300 cubic yards of excavation and grading, plus stabilization, springing, overseeding and other work.

The commission took steps to buy a frame house in the courthouse block on Second st. from Mrs. Susan Merker for \$15,000, it can make such a deal. She asked \$20,000. The deal would be in line with the county's plan of eventually acquiring all of the courthouse block for public purposes.

Mrs. Myrtle D. Shackleby was appointed superintendent of the children's home.

County Attorney Harry Johnston was instructed to bring suit to condemn land needed for widening Military trail between Lake Worth rd. and Southern blvd. The board expressed thanks to such property owners as have donated right-of-way.

Conners highway, a leading cause-Everglades artery, recently reopened after closing because of flood conditions, is crumbling badly over a 10-mile stretch. Commissioner Paul Rardin told Monday's meeting: He was doubtful whether repairs now being made will prove adequate.

The commission gave permission for rock from a county pit near Pahokee to be used in repairing city streets in Pahokee, Belle Glade and South Bay.

It approved hiring of extra tenders of the Royal Park, Southern blvd. and Lantana bridges to cope with increasing boat and automobile traffic.

Action was delayed on a proposal that an assistant juvenile probation officer be appointed.

For the second time in the past two months the commission took action on reports that cows of Bishop Bros. dairy farm near WPB have been damaging county road right-of-way by wandering across it. Previously the commission considered imposing the cows.

Monday Commissioner Lake Lytal reported renewed complaints about the alleged wandering cattle. Attorney Johnston was instructed to consult County Solicitor W. E. Roebuck about the trouble. The commission also voted to have the health department make an inspection of the Bishop farm. No one present gave the Bishops' side of the case.

Rev. R. A. Fuller of Canal Point and Rev. C. T. Howes of Pahokee are attending a school for Methodist pastors being conducted at Lake Alfred this week by Bishop Roy Short.

TOO LATE TO CLASSIFY

(By Russell Kay)

Lutz, an enterprising rural community, located a short distance north of Tampa, is typical of thousands of other farming communities scattered throughout the nation.

It is made up of small farms, groves and country estates, with neighbors scattered over a wide area. As is the case with most rural communities, these neighbors are brought together through a civic association where affairs and problems are discussed.

Since the rural home is more or less isolated, the ruralist lives in constant fear of fire or accident. They have seen homes destroyed and lives sacrificed that might have been saved if help had been available quickly.

At a recent meeting of the Lutz Civic Association this problem was under discussion. The suggestion was advanced that the community purchase fire fighting equipment and organize a voluntary fire department.

A better plan was advanced by Col. W. E. Myers, a retired Army officer, who has purchased an attractive lake front home in the area. Backed by many years of practical organization experience, he volunteered his services in working out an emergency map that would link every member, and through the use of the telephone bring aid quickly anywhere in the widely scattered district through a system of alerts.

This plan has been perfected and put in practice and has proven so practical and successful that the community has patented it and copyrighted a published description of its operation.

The whole plan hinges on an accurate, detailed map of the entire area, which shows the location of each member, gives the phone number and shows the shortest route to each home or farm by road. Key phone numbers include nearest fire station, sheriff's office, hospitals, ambulances and the State Highway Patrol in type large enough to be read at a glance when hung on the wall.

Membership of the association is broken down into units of ten. Each unit has one General Alert member, whose duty is to get the members of his unit to the emergency location as quickly as possible; each member bringing such equipment as they have available for use in meeting the particular emergency that has arisen. In case

of fire they would bring extinguishers, ladders, buckets, rope, first aid equipment and so on. In cases where members do not have phones arrangements are made to notify them by messenger.

Every member of each household thoroughly familiarizes himself or herself with the map, (children included). They note carefully the location of their home in relation to that of others in the district. They identify the nearest General Alert member and his phone number. In case of fire, snake-bite, drowning or accident where help is needed quickly, they simply phone their alert member and he in turn contacts as many as necessary by either phone or messenger and in a matter of minutes, nearest neighbors begin to arrive; they already know what the trouble is and they come equipped with everything needed to meet it. Others call the sheriff, an ambulance or the Highway Patrol if the situation demands it. Available cars and trucks are known to be at certain locations and transportation is provided for under the plan.

Among emergencies that have been handled quickly and with amazing efficiency include a heart attack of one member; a brush fire that would have completely destroyed a home if aid had not been available promptly, and a case of snake-bite that might have proven fatal if help could not have been had and transportation to a hospital made available.

An added advantage of the plan is that it has done more than anything else to revive the old American spirit of neighborliness and understanding. It has served to closely knit the entire community and developed a civic spirit that presents a united front for progress and development.

Unselfishly, Lutz offers to share her plan with other rural communities and offers to provide information and details concerning it to such rural sections interested enough to make inquiry. This information by writing Lt. Col. Walter E. Myers, Ret., Lutz Emergency Committee, Lutz, Florida.

BENEFIT MINSTREL

Plans for a benefit minstrel show to be presented around the middle of December were made by members of the Canal Point Legion Post 242 at a meeting in the Legion Home Monday night. Proceeds from the show will go into the building fund.

Reports on the recent American National Convention in Miami were given by Commander Loel Lence and Adjutant T. W. Griffin who attended as local delegates.

State Service Officer Will Visit

M. E. Penton, Asst. State Service Officer, will be in Canal Point, November 13 and in Pahokee on the morning of November 15th at the City Hall for the purpose of assisting all veterans or their dependents with any claim of benefit to which they are entitled.

Don't fail to see Mr. Penton if you have any question on assistance to widows, children and dependent parents of a veteran in addition to any claim for compensation or benefit that the veteran may wish to file under the "G. I. Bill", or under other law granting benefits as a result of entitlement for military service. This service includes assistance with insurance problems as well as to employers of veterans under the "G. I. Bill", schooling, subsistence, etc.

If it is not possible for you to contact Mr. Penton while in the Glades, the Glades Veterans Service Officer will be only to glad to discuss with you your problems and help you get any and all benefits due veterans and their dependents.

"EVERYBODY'S
THANKFUL
FOR AMERICA'S
FINEST BUS SERVICE"

Over here we seem to have the most of the good things of life... safe, warm and well fed. There's another thing, too, we can smile about—our great freedom and ease of travel. Greyhound transportation, for example, is just as popular and generally enjoyed as a Thanksgiving turkey. It lets us go everywhere over myriad routes... when we choose through frequent day and night schedules... and at lower cost than any other form of travel. We can well afford a little thankfulness for this old transportation favorite GREYHOUND—that gives us always more of the best in travel.

To Dunk or Not To Dunk?

Dunking doughnuts is Sober Hopkins' favorite morning pastime... and for a long time Ma Hopkins has been trying to break him of the habit. Feels it sets a bad example for the children.

So one morning she puts a heavy frosting of chocolate on the doughnuts... figuring that will stop him. Sober thinks it over for a while and then: Dunk! Taste! Smile!! And Sober compliments the missus on the lovely mocha flavor!

I guess there'll always be two schools of thought: to dunk or not.

to dunk. But from where I sit, it's a matter of personal choice and taste—like some folks prefer beer to cider, ale to beer. And the less we criticize those differences of taste, the better.

In fact, Ma Hopkins got so curious about the flavor of chocolate-covered doughnuts dunked in coffee, that she tried it herself. Now you've guessed it—she's a daily dunker, too!

Joe Marsh

LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road—*facing traffic*.

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways—many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake—on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

Mr. Motorist—

Girl Scout Council Will Be Organized

A Girl Scout Council for the Pahokee-Canal Point area is in the process of organization, according to an announcement made at a meeting of scouts and scout leaders at the Pahokee First Methodist Church Tuesday afternoon.

Mrs. Joe T. Boynton of Pahokee and Mrs. Elmo B. Scoggin of Canal Point have been chosen co-chairmen of the council; Mrs. R. R. Long, secretary and treasurer; Mrs. H. M. McIntosh, registration chairman; Mrs. James H. Wilson, organization chairman; Mrs. O. R. Bleech, program chairman, and Edward A. Jensen, finance officer.

The Pahokee girl scouts were divided into three troops at the meeting: Mrs. Becky Stirling and Mrs. Lewis Friend will serve as co-leaders and Mrs. W. H. Jones, assistant leader, to one troop composed of fourth and fifth grade

girls, this troop to meet every Monday at the First Methodist Church at 2:30 p. m.

Co-leaders for the sixth grade girls' troop will be Mrs. E. P. Holt and Mrs. Farnell Enecks and those for the seventh grade girls' troop, Mrs. O. R. Bleech and Mrs. C. A. Canipe. These two troops will meet Tuesdays at 3:30 p. m.

Stevens - Sudduth

The engagement and approaching marriage of Miss Martha Sudduth to W. A. Stevens, Jr., of Pahokee has been announced by the bride-elect's parents in Hendersonville, N. C. The wedding is scheduled to take place at the First Baptist Church in Hendersonville on Nov. 26.

Mr. and Mrs. A. C. Libhart and children were the guests of Dr. and Mrs. D. Nix in Jacksonville over the weekend.

Juniors Win With Wilder And Schroder Doing The Scoring

The Pahokee Junior High football team, undefeated so far this season, won its third straight game by defeating St. Ann's Juniors, 13 to 6, on Lair Field Tuesday night.

George Tucker's Imps scored early in the first quarter when St. Ann's kickoff was grounded on the Pahokee 30 and they drove to St. Ann's two where Carney Wilder went through center on a quarterback sneak. St. Ann's eleven came back in the second quarter when they drove 56 yards to the Pahokee four where Ray McCall, halfback, cut through tackle to even the score, 6 to 6.

The tie was broken in the fourth quarter when the visitors lost the ball on downs on the Pahokee 32 and the Imps took over. Scatback Bobby Schroder, who has done most of the scoring for the Imps this season, then swept around right end on a double reverse to scoot 68 yards for a touchdown and Wilder went through with another quarterback sneak for the extra point.

"Scouting" Is Topic Heard By Lions

"Scouting and Citizenship" was the subject of an address by Dr. Elmo B. Scoggin, pastor of the Canal Point Baptist Church, at the Lions Club's annual fathers and sons luncheon held Tuesday in the Woman's Club building. The speaker, introduced by Frank Rozelle, Sr., program chairman, urged parents to take a more active part in the scouting movement. Members of Troop 24 were guests of the club.

Club members and their wives were invited to attend a luncheon meeting of District 35-S at George Washington Hotel in West Palm Beach on Nov. 19 at which time the president of Lions International will be guest speaker.

Plans were announced for the club's annual ladies night program in the woman's clubhouse on Dec. 10. It was also announced that a zone meeting for Pahokee, Belle Glade, Clewiston and Lake Worth Clubs will be held in Pahokee on Dec. 12. Rev. C. T. Howes, scout commissioner for the North Glades District, thanked the Lions for their assistance in the recent Boy Scout round-up.

Lampi To Attend State Band Meet

Robert O. Lampi, director of the Pahokee High School Band, will leave this weekend to attend a meeting of the Florida Bandmasters Association in Tampa, Nov. 14-17. He will be accompanied by Jack Major, trombonist in the Pahokee High School Band, who will play in the 90-piece all-state student band which will perform at the meeting.

Menry Fillmore of Miami, noted composer of band music and past president of the American Bandmasters Association, will be among the 150 bandmasters throughout the state expected at the meeting. An election of new FBA officers will be held, Mr. Lampi said.

Gift Collections For Miami Hospital

Christmas gifts being collected by the American Legion Auxiliary, Post 90, for veterans at Miami hospitals were received by Mrs. Cecil Gray, chairman in charge gift collections, at a meeting of the auxiliary at the home of Mrs. Paul Tillery Tuesday night.

The group announced plans for a "jack pot" program at every monthly meeting to stimulate attendance. Mrs. Tillery will also act as hostess at the December meeting.

Edenfield Girls Entertain Friends

Betty Sue and Imogene Edenfield were co-hostesses to their classmates in the First and Third Grades Saturday afternoon in the Canal Point American Legion Home. Both little ladies were dressed alike in white organdy pinafores.

The youngsters had their pictures taken and played games until refreshments were served. The centerpiece was a Maypole to which individual Maybaskets were attached.

The highlight of the afternoon was a visit from their maternal grandmother, Mrs. Maude Wilson, of Canal Point. Mrs. Wilson has been ill for several years and this was her first social event.

After their guests had left Betty Sue and Imogene carried ice cream and cake to their friends who were unable to attend.

You oughta be in pictures!

HERE'S A PICTURE to be cherished. It catches a radiant moment, to be remembered always.

THIS IS A PICTURE which assures radiant health. Your chest is the subject of this picture. Your health is its object.

Here are facts you should know:

Between the ages of 15 and 44 tuberculosis leads all other diseases as the cause of death.

Tuberculosis kills approximately 50,000 people every year.

A half-million people in this country are estimated to have active tuberculosis. Of these, only one-half are known to health authorities.

One out of every two adults in the United States is estimated to have *tubercle bacilli* in his system... which might lead to active disease.

Early tuberculosis frequently has no symptoms of any kind.

The National Tuberculosis Association reminds you that:

The greatest safeguard against TB is excellent health. Active disease does not occur so long as the body's resistance can successfully fight germs.

TB is contagious. It is spread through coughing, sneezing, and personal contacts.

TB is curable.

The sooner the presence of TB is detected, the quicker the cure and the safer your family and friends will be from contagion.

CHURCH OF CHRIST, SCIENTIST

"MORTALS AND IMMORTALS" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, November 14.

The Golden Text is: "If ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live" (Romans 8:13).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory" (I Corinthians 15:54).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Suffering, sinning, dying beliefs are unreal. When divine Science is universally understood, they will have no power over man, for man is immortal and lives by divine authority. The sinless joy, — the perfect harmony and immortality of Life, possessing unlimited divine beauty and goodness without a single bodily pleasure or pain, — constitutes the only veritable, indestructible man, whose being is spiritual" (76:18-26).

Tangerine Queen Will Be Selected

WINTER HAVEN—The fifth annual Florida Tangerine Queen Contest being sponsored by the Winter Haven Junior Chamber of Commerce here on November 27-28, is being planned as a colorful two-day event to select the state's most beautiful girl who will be publicized nationally as the First Lady of Florida's valuable industry.

The Queen, who will be selected by a board of impartial judges during the contest on Sunday afternoon, November 28, at the Florida Citrus Exposition's new amphitheatre on Lake Silver, will be featured by the Florida Citrus Commission in a national-pictorial campaign designed to publicize Florida tangerines just as this year's crop hits the northern markets.

Many beautiful contestants from over the state, who will be sponsored by civic and business organizations, will arrive in Winter Haven on Saturday afternoon, November 27, where they are to be honored that night at a gala Tangerine Ball featuring the music of Bob Cole and his popular colleagues from Florida State University at Tallahassee.

This year contestants will compete in both evening gowns and bathing suits during the Tangerine Queen Contest. Among valuable prizes the Queen will receive are a \$100 savings bond, a beautiful engraved trophy and a new Janzente swim suit. The first and second runners-up will be given trophies, savings bonds and swim suits. The sponsoring organization of the contest selected as Tangerine Queen will also receive a \$100 savings bond.

New Type Orange Has Been Developed; Green When It's Ripe

DADE CITY—"It's green but it's ripe," states Ira F. Soar, proprietor of the Pomona Nurseries, in describing his new early orange the "Soar's Sweet."

The new orange is the result of ten years of experiment and this year the variety was fully ripe and easily passed all maturity tests the first week in September although the outer skin is as green as grass.

In October Soar sent a sample basket to Governor-nominee Fuller Warren asking that he give it any kind of a taste test he wanted and pointed out that in every respect this orange can hold its own with the finest oranges produced in the height of the season even though its skin is entirely green. It can be colored artificially without harm to the fruit and when colored will move fast on the market and give entire satisfaction to the purchaser, Soar said.

Buddy Keen Has Birthday Party

Mrs. Ellsworth Keen entertained at her home Tuesday with a lawn party for her son, Buddy, on his sixth birthday anniversary. The hostess used pink and green in party decorations and was assisted with the entertaining by Mrs. Sallie Davis.

Refreshments of ice cream, cake, nut cups and cokes were served to Alvis and Donna Davis, Johnny Bacon, Sunny Libhart, Gay and Fay Carlton, Martha Sellers, Tommy Holden, Edwina Humphries, Pat and Jimmy Maxwell, Sandy Rogers, Virginia Crossman, Charles Batchelor, Sonny Young, Cheechie Cate, David Simonson, David Fountain, Rex Kaufman and Effie Lou Keen.

Earl Chance, USN, Is Featured Organist

A half hour period of organ music will supplant the usual wait for the first reel at Luce Auditorium on four programs of the week, it has been announced. On each Monday, Wednesday, Friday and Saturday evenings, Earl Chance, YNSA, of the Chaplain's Department, will preside at the Hammond organ keyboard.

Chance, who is organist for Protestant chapel services on the Center, is an 18-year-old sailor from Pahokee, Florida. In his home town he performed on the piano in recital, later studying exclusively to be an organist.

The repertoire for Chance's previous appearances will be a combination of popular music and semi-classical numbers. He will rely on familiar selections and plan his arrangements strictly for entertainment.—From "The Hoist," U. S. N. T. C., San Diego, Cal.

Cinematic Chatter

By Malcolm Millar

It is no longer necessary to say that "Duel In The Sun" is the most publicized and talked about picture ever released. "Duel In The Sun" has been printed and spoken countless millions of times and, according to Audience Research Inc., still has the greatest "want-to-see" on the part of the American movie-going public of any picture that has ever come out of Hollywood.

And now the picture that took two years to make and cost \$8,000,000 to produce, the picture with a thousand memorable moments, is to be shown at the Prince Theatre, this coming Sunday-Monday at regular prices.

In the cast are Jennifer Jones, Gregory Peck, Joseph Cotton, Lionel Barrymore, Lillian Gish, and too many more to name. It is in breath-taking technicolor. That is all I need to say. See you at the movies.—Mal.

Births

Mr. and Mrs. Parker Wilson, former Pahokee residents now living in Clewiston, announce the birth of a daughter, Janet Ann, at Good Samaritan Hospital, West Palm Beach, Oct. 30.

Mr. and Mrs. Leslie Futch, former Pahokee residents, announce the birth of a daughter, Marcia E. Futch, at Newport, Ky., Oct. 16.

Mr. and Mrs. A. Dewitt Enginger of Canal Point announce the birth of a daughter, Cecelia Louise, at the Everglades Memorial Hospital, Nov. 5.

Mr. and Mrs. Henry J. Herring of Pahokee announce the birth of a son at the Everglades Memorial Hospital, Nov. 9.

Howes Names His Subject For Sunday

The First Methodist Church announces that the Pastor, Rev. C. T. Howes, will speak at both morning and evening services next Sunday. He will use as his sermon subject at the morning service: "God's Challenge to His Church." At the evening service, the subject will be: "Workers with God." There will be special music by the choir at each service. The Pastor returned on Monday from a week of Special Services at the Sara Spencer Memorial Methodist Church, of Tampa. He left Tuesday afternoon to attend a special session of the Florida Annual Conference of the Methodist Church, and is to return on Thursday afternoon. Bishop Roy Short will be the featured speaker at the sessions of the Conference which will be held at Lake Alfred, Florida. There will also be meetings of the various Boards and Committees of the Conference.

IN MEMORIAM

WHEREAS, It has pleased the Grand Master of the universe in his infinite wisdom to remove from among us our esteemed friend and Brother,

LENNIE LEE STUCKEY, A charter member and Past Master of our Lodge.

WHEREAS, we feel that by his demise we suffer the loss of a faithful member of our fraternity, and the community at large an honored and upright citizen, one who was beloved by all who knew him.

BE IT RESOLVED, that for the purity of his life, the cheerfulness of his presence, the uprightness of his character, the kindness of his dealings with others, we shall hold him in loving remembrance as an example worthy of our emulation.

RESOLVED, that while we mourn for him as a friend and Brother our sorrow is lessened by the knowledge of his well spent life which presages his triumph over death, and we are lead to exclaim Blessed are the dead who die in the Lord.

RESOLVED, that we the officers and members of this Lodge, extend our most heartfelt sympathy to the immediate relatives and friends in their great sorrow over the departure of a life so useful and recommend them to Him who doeth all things well.

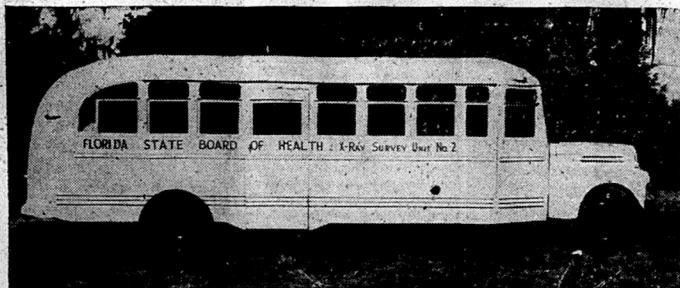

RESOLVED, that these resolutions be placed on the records of the Lodge, and a copy presented to the surviving relatives of our deceased Brother.

Given under our hands and seal of Everglades Lodge No. 211 F. & A. M. this 19th day of October A. D. 1948 5948.

A. R. Harrington, Worshipful Master.
S. J. Baggett, Secretary.

Miss Gene Rushing Honored At Tea

Cypress lodge, home of Mr. and Mrs. Anderson Chastain at Port Mayaca, was the scene of an introductory tea given on Saturday afternoon from 4 to 6 honoring Miss Gene Rushing of Belle Glade, bride-elect of Francis W. Cross, Jr., of Canal Point. Co-hostesses with Mrs. Chastain were Mrs. John T. Pickett of Pahokee and Mr. Don Kepp and Mrs. Oscar Chastain of Canal Point.

The reception hall was decorated with an arrangement of bronzes, chrysanthemums and green vines. Those in the receiving line were Mrs. Anderson Chastain, who introduced the guests to Miss Rushing; Mrs. Thaddeu Remer Rushing and Mrs. Walter C. Bamford, mother and sister of Miss Rushing. Mrs. Edwin Dannelly, Mrs. J. S. Harrington and Mrs. Kenneth Mock presided at the guest book.

The tea table was laid with a lace cloth and a bowl of yellow pompons in a silver bowl, with three-branched silver candelabra forming the centerpiece. Silver coffee and tea services were placed at each end of the table. The side service table was also laid with a lace cloth.

Assisting with the service were Mrs. Francis W. Cross, sr., and Mrs. Joe T. Boynton, and those who poured were Mrs. Stanton Chastain, Mrs. M. F. George, Mrs. Tommy Griffith, Mrs. Loel Lence, Mrs. G. Lawton Sims and Mrs. W. H. Vann.

Guests were seated in the living room and sun room of the lodge where appropriate recorded piano selections were played.

There were 75 guests introduced to the honoree, whose wedding to Mr. Cross will be an event of Thanksgiving Day.

CARD OF THANKS

We wish to take this opportunity to thank our many friends for their kindness and consideration during the illness and death of our loved one, Mrs. Anna E. Murphy. We shall remember the consoling words and acts of kindness. To those who sent beautiful flowers and aided in a time of need, we shall always be grateful.

Signed: THE FAMILIES.

Those from out of town who attended the funeral services for Mrs. Annie Murphy Sunday included Mr. and Mrs. C. T. Thompson, Mr. and Mrs. James Cook and Mr. and Mrs. Jack Brennan, West Palm Beach; Mr. and Mrs. Talton Joyce, Vero Beach; Mrs. Ralph O'Neal, Miami Beach, and R. J. Burt, Miami Beach.

4-H Clubbers Study Seed Bed Work

The Pahokee 4-H Club met in regular session on Wednesday afternoon in the school with Mrs. J. T. Platt, leader, in charge of the meeting.

Preparations were made to carry out plans for making Christmas gifts and study was taken up on preparation of seed beds for flowers and vegetables. A message of congratulations was sent to Elzola Christian of Greenacres who will attend the National meeting in Chicago as a result of having won an award for canning 800 cans of produce during the season.

Betty Jo Phillips Has Birthday Party

When Betty Jo Phillips reached the age of three Saturday her birthday was celebrated at a lawn party given by her mother, Mrs. Jack Phillips, at their home on Bacom Point Road. The hostess presented balloons, hats and novelties to the guests as party favors and served refreshments of ice cream, cake and grapefruit. She was assisted with the entertaining by her mother, Mrs. L. W. Armstrong, and Mrs. Pete Chiviges.

Guests were Myra Ruth Frasure, Bunny Brooks, John B. Cruthird,

Mead Maxwell, Billy and Robert Boe, Linda and Tommy Hand, Wayne and Bruce Boynton, Young and Lane Creech, Shirley and Bill Culberson, Jill McIlwain, Gloria and Syd Smith, John L. and Wayne S. Hundley, Edward Fountain, Alvin Johnson, Michael and Lee Ann Berryhill, Lonnie Phillips and Rebecca Grimes.

Last Rites Held For Mrs. Ollie Sterns

Mrs. Ollie Sterns of Canal Point, 40, died at the local hospital Wednesday night of last week after a brief illness. She came to Canal Point from Starke six years ago.

Survivors include her husband, Frank C. Sterns; four daughters, Dorothy, Helen, Elsie and Lora; and one son, Frank, Jr., all of Canal Point; also her mother, Mrs. Viola Strickland of Miami, and eight sisters.

The body was sent to Starke Thursday for funeral services and interment. Berry's Funeral Service was in charge of local arrangements.

Mr. and Mrs. Olaf Boe have as their guest her mother, Mrs. Buchanan, of Sarasota. They also had as guests over the weekend her brother-in-law and sister, Mr. and Mrs. Russell Currin, Sarasota.
